Directors' Dialogue

by Gordon and Fran Josey, Owners / Directors

Welcome to our Twin Creek's Family! We proudly introduce you to our first edition of the Twin Creeks newsletter, "The Creeks". We have been anxious to fill you in on all the exciting news at camp so check it out!

What an incredible

been doing during the winter. Write to us at info@camptwincreeks.com and we will share your news with everyone in the Twin Creeks family in the next edition of "The Creeks". Just to get you started, tell us about what you are looking forward to the most this summer! This cold winter has made us even more anxious for warm, sunny days in West Virginia! We can hardly wait for camp to start!

Warm Regards,
Gordon and Fran

winter it has been for us! Meeting many of you over the past couple of months has been fantastic! We are looking forward to a wonderful summer and to building a lasting relationship with you for many years. We hope that Twin Creeks will become your summer home!

We have been very busy this winter carefully recruiting warm and caring staff for the summer. We are thrilled to announce that the most incredible Girls' and Boys' Head Counselors, Amy Gargiulo and Iain (pronounced ee-n) Mc Clements have joined the Twin Creeks family! You are going to love having Amy and Iain at camp! They are excited about meeting all of you this summer and running a fantastic Junior and Senior Camp program. Check out **Boys' Side Blitz** and **Girls' Side Gossip** to find out more about them!

Camp is undergoing many new and exciting changes! We've completed many projects since September. **Construction Corner** has all the details. As soon as the snow melts, the final touches to our outdoor projects will be complete. It will be great to finally see the new pool with water in it instead of snow!

"The Creeks" is our way of keeping camp happening all year round, not just during the summer. We would love to hear from you and find out about all the incredible stuff you have

Construction Corner

Wow! There's a lot happening at camp! Just a few things we'd thought you'd like to know... The Olympic size pool is in the ground—we just need to ADD WATER! Our brand new ski boat is anxiously awaiting hitting the wake at Lake Moomaw! Water Skiing is sure to

be a hit! Camp is located in the Monongahela National Forest which is the perfect setting for our new 12 element ropes course and climbing wall. It's an incredible addition to our Outdoor Adventure program! The Basketball Complex is going to be right in the middle of Senior Camp and Junior Camp. With 6 hoops, brand new glass backboards and night lights, it's sure to get a lot of use this summer! Anyone for a game of Horse?? The cabins look great with all new pine paneled interiors, new light fixtures and new cubbies. Make your bed space feel like home! Fresh, clean and sparkling bathhouses await you. They have been completely gutted and remodeled with new toilets, sinks and shower stalls (with curtains for privacy). After a long day of activities, we're sure they'll see much use! We have also made new signs all around camp so if you have never been to Twin Creeks before it will be very easy to know where all the activity areas are. Of course, you can always ask your counselors! Ever tried golf? Well, in addition to our five-hole golf course we have added an eighteen-hole putting green overlooking the golf course where lots of practice can make perfect!

Boys' Side Blitz

Gooooooooo Moorning Boys' Side!!!! I ain here, your Boys' Head Counselor for 2001 and many summers beyond. Now maybe you are reading this after school or in the evening before dinner but I wanted to start this piece the same great way each day at Camp will start! ---

I magine the morning sunshine making the dewy grass glisten, the smell of breakfast drifting through the bunks and a day of fun, games and friends ahead.

Wow, how many days until camp starts anyway? (110, at the time of writing, until the 1st session!!)

Sound good? Hope so, I know I am very excited for my first summer at Twin Creeks and look forward to spending it with you guys. So many great activities and talented people await us and it promises to be an amazing summer.

It was great to meet some of you at the Alumni gathering at the Marriott and at the White Flint Mall and to answer some of the questions you had. If any of you have any other questions please feel free to contact me via the Twin Creeks website. You can email me at Iain@camptwincreeks.com.

Well until that sunny morning in June, July or August, be good, work hard and get ready for some serious fun!!!

Girls' Side Gossip

Hey girls! The summer is quickly approaching, and I am very excited about seeing you all at camp! Only a couple more months to go before we are living it up under the West Virginia sun!

I am really looking forward to the wonderful friendships and memories we will build at camp. Campfires, bunk events, and all the other fun things at camp, promise to give us the summer of our lives and memories we will cherish forever. It was so nice to meet some of you at the White Flint Camp Fair. Gordon and Fran have told me a lot about the rest of you. I am so excited about all the wonderful girls who will be joining us this summer!

I hope to get to know all of you well over the next couple of months. I would love to get in touch with you by e-mail. You can write to me at amy@camptwincreeks.com.

Hope to be "chatting" with you all soon!
See ya,
Amy
