

CAMP TWIN CREEKS

ALUMNI NEWSLETTER

Welcome, TC Alums! We hope everyone is settling into their fall routines, wherever you may be these days! It was so wonderful seeing so many of you in June at our 25th Anniversary reunion weekend! Please enjoy this newsletter as a way to stay connected with Camp Twin Creeks no matter where you are. Happy Reading!

Campership

Last year we awarded over \$300,000 in Camperships and welcomed 100 campers to Camp Twin Creeks. To learn more about our Campership Program and make a donation, please [follow](#) the QR code below.

With Sorrow

Sally Bedell
Camper 2015-2022

Sally in her early years as a camper

Sally Bedell was a treasured presence and bright light at camp. She was a beloved friend, cabinmate, and camper. Over the course of her 8 summers at TC she made countless friends and even more memories. Her memory and legacy will live on at Twin Creeks.

Sally Worth
Owner/Director
1969-2000
(Camp Minnehaha)

Jim and Sally Worth

Sally was a master at networking people, using her charm to bring staff and campers to the beautiful mountains of West Virginia. She had a gift of making people feel at ease, connecting with and supporting them. She did all this by herself without the ease of technology year after year while spending her summers at Camp Minnehaha spreading her love and cheer with over 350 campers and staff.

A celebration of the Worth Family and their legacy is planned for early June at Camp.

25th Anniversary Celebration

Thank you to everyone who attended the 25th anniversary reunion! It was truly special to see so many familiar faces and to share in the memories that make this place feel like home. Your presence, energy, and stories helped make the weekend unforgettable. Whether you traveled far or came from just down the road, your being there reminded us of the lasting bond we all share through camp. Here's to the memories we've made—and to many more to come!

Pillars

At camp, everything we do is rooted in a deep commitment to positively shaping the lives of young people. Through reflection of our mission and brand, we identified four fundamental pillars that now guide our approach to youth development:

Community is the Anecdote to Loneliness
Exploration Leads to Growth
Our Environment is our Best Educator
Soft Skills and the Most Important Skills

These pillars aren't just themes, they are intentional, interconnected areas of focus that shape every program, activity, and interaction at camp. Check them out on our newly designed [website](#).

Celebrations

- Jena St Aubin got married!
- Former TC counselors Alice Johns and Stephen McNally got married in August!
- Girls' Side Head Counselor Carly Costello Dadisman won the EMDIRA Social Media award!
- Reunion of 2001 staff at our 25th celebration this summer (pictured to the right)

Have your own celebrations? Share them with us at alumni@camptwincreeks.com
