

CAMP TWIN CREEKS

ALUMNI NEWSLETTER

On behalf of Iain, myself, and the entire leadership team, we want to express our heartfelt gratitude for your involvement in Camp Twin Creeks and our community. Whether you've been with us for one year or fifteen, you are an essential part of our tribe, and we're so grateful that you've shared a chapter of your life here at camp. Through this alumni newsletter, we hope to help you stay connected with camp, celebrate milestones, honor the memories of those we've lost, and keep you up to date on all things TC.

Campership

Last year we welcomed over 100 campers through our Campership Program. **This was made possible by generous donors, including many of our amazing Alumni!** Through several initiatives, from sponsoring Polar Bear Plunges to bidding on exclusive TC gear at a vintage sale, we raised over \$45,000 for Campership last year!

Updates from Camp

Stay in the know of goings-on at camp!

Over the years, we began hosting the camper show in an outdoor space. To celebrate Twin Creeks' 25th anniversary, we built an amphitheater in that very spot—now known as the Festival Stage. It's become a special place for creating lasting memories, and we can't wait for many more. Be sure to check out the moments we've shared on our Instagram page!

LinkedIn

Did you know that we have a Camp Twin Creeks Alumni page? We hope that this will become a great place for TC alums to connect in the "professional world". Help us grow our network, and reach out to fellow "camp people"!

Celebrations

- Corrine Duvall was Inducted Into her High School Sports Hall of Fame.

Become an Alumni Ambassador

Miss camp? The laughter, the songs, the sense of community? Even if life has moved you in a new direction, you can still stay connected and help keep the camp spirit alive!

We're looking for Alumni Ambassadors, former campers and staff who still hold camp close to their hearts. As an ambassador, you'll help us stay in touch with our alumni community, share updates, and brainstorm ways to keep the magic going. We'll meet occasionally (virtually or in person) to chat about upcoming events, new ideas, and ways to celebrate what makes camp so special.

If you've ever thought, "I wish I could still be part of camp somehow," this is your chance.

Our Community

Caroline Eager Rowley and John Rowley's love story began at camp! Caroline spent five years as a camper before transitioning to a Junior Counselor and then a media counselor. John, hailing from the UK, dedicated four years to being a counselor. The special bond created at camp proved to be lasting for John and Caroline, who married in November 2013 and welcomed their son, Jack, in April 2019.

Early in 2024, the Rowley family faced unimaginable challenges when Caroline was diagnosed with Melanoma. Her journey since has been incredibly difficult, testing her strength and spirit.

We are blessed to be a part of their story and eagerly anticipate the time when Caroline, John, and Jack can return to visit us at camp. We invite you to discover her story and support our TC tribe in any way you can.
